An opportunity to represent your WQSC on the Hub Club board!

Dear Sailing Club Members,

The Weir Quay Community Watersports Hub Club ("Hub Club" for short, for obvious reasons) looks after our site on the Tamar and is directed by three board members from each of the Sailing Club and the Gig Club.

We are looking for a new board member to represent us. The role is not very arduous because the Hub Club is now established and running quite smoothly. You would contribute to the running of the site, administering a small budget. Board meetings happen every month or so.

If you feel that you could donate a little time to this useful work, please contact me to discuss.

Yours,

Doug Hinge
